Dear Sir:

RECEIVED

GROUP 3600

Submitted herewith is one set (one sheet, one figure) of A corrected drawing for filing in the above-identified patent application.

The Examiner objected to the drawing for reasons stated in the Office Action (Conf. No. 5908) dated June 3, 2003. Specifically, the clarity and quality characters of lines, numbers and letters in Figure 1 were objected to. The enclosed new drawing corrects these informalities.

Favorable consideration of the enclosed drawing is respectfully requested.

Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 22-0185, under Order No. 20459-00346-US from which the undersigned is authorized to draw.

Dated: 6-25-03

Respectfully submitted,
